

## i-Budo Donations

The International Budo Institute and its instructors would like to thank all the visitors who have supported us with donations. It is with your support that we are able to continue to bring you quality information and lessons on Budo. All monies go directly to The Institute to help create manuals and upload information for everyone to use.

The Institute believes in making all materials below Black Belt level (and then some) freely available to the general public so that we may all grow together in a spirit of a sharing community. If you believe in this mission as we do, we hope that you will join with us by making a small donation and together we can do great things. On the home page you will see a small applet that will help you to share in the community feeling of giving with i-Budo and all its members.
